Submits for sanction an indent for Rs 705-11-0, being the cost for appliances required for the Dental Department of the Victoria Hospital, Bangalore, the cost being met from the provision made for 'Civil Medicines' in the current year's budget.

NOTES AND ORDERS.

Submits an indent for approval or other orders.

17.11.20 (It is a question whether any of the articles now indented for have not been supplied to the Dental Dept during the time
18.11.20 of the predecessors of the present incumbent — Mr S.R.S. Iyengar)

2) Was there not a specific condition when Dr Rule was appointed that he should come provided with his own instruments? Please put up the papers.

19.11.20 3) One of the Conditions of Dr. Rule's appointment as a Dentist was that he should ~~facilitate~~ Should furnish the necessary equipment at his own cost. Vide G.O. No. 2524-6 med 50-17-48 8.11.17.

19.11.20. No such condition was prescribed in the case of the late dentist.

4) When Dr. Rule was appointed Dentist, there was probably no idea to attach a Dental Department permanently to the Victoria Hospital and that was probably the reason why he was asked to come provided with his own equipment.

5) If the idea now is to make the department permanent, the appliances indented for will have to be sanctioned – unless it is thought desirable to wait till the return of Mr. Monteiro from his training in Dentistry.

Chief Secy.) DCS 20/11/20.

6) The purchase of the equipment may be sanctioned.
